
MBSA - Renovation Permit

Posted by stewart chai - 2008/08/22 15:15

anyone renovated his/her house before and can share the procedure to apply for the permit from MBSA ? Do you apply permit yourself or get someone to help..

I understand that for Semi-D, an appeal letter require to be submitted to MBSA unlike terrace house where you can buy the booklet and submit the necessary document.

MBSA - Majlis Bandaraya Shah Alam.

Yes, need permit before renovation start and depend what type and the extend of the renovation. Not sure the procedure for semi-d and terrace as i have called them, and require appeal letter for semi-d:unsure:
